1. A word of caution...
2. Add this to...
3. After all,
4. Again,
5. Also,
6. Although,
7. Am I right about you so far?
8. And best of all...
9. And don’t forget
10. And get this...
11. And guess what?
12. And here’s some great news for you...
13. And in addition to that . . .
14. And just think,
15. And like I said...
16. And look at this...
17. And now you can...
18. And now,
19. And remember...
20. And that doesn’t take into account...
21. And that’s just for starters...
22. And that’s just the beginning...
23. And that’s not all...
24. And that's why
25. And the result?
26. And this is just the tip of the iceberg.
27. And to prove it, here is...
28. And we don’t stop there...
29. And what if I could take...
30. And what’s worse...
31. And what’s more...
32. And while we’re at it,
33. And yet,
34. And you know what?
35. And, believe it or not,
36. And, of course,
37. And, oh yes, let’s not forget...
38. And...
39. Another thing ...
40. Anyhow,
41. Anyway,
42. Are we crazy?
43. As a result,
44. As I mentioned before,
45. As I said before,
46. As I said,
47. As I say,
48. As if that’s not enough
49. As it turns out
50. As well as...
51. As you may have noticed...
52. As you might guess,
53. As you probably know...
54. As you probably remember,
55. Aside from that, one thing's for sure
56. Astonishing, isn’t it?
57. At that moment,
58. At this point,
59. Back to the purpose of this,
60. Back to what I was saying...
61. Bear with me, because I'm going to show you
62. Because, believe it or not,
63. Before we go any further, I want to set
64. Believe it or not,
65. Believe me,
66. Besides,
67. Best of all,
68. Better still ...
69. Better yet,
70. Bottom line is...
71. But before I jump into the details, let me say

Presented by Sarkemedia.com as part of the Improve Your Writing Challenge
72. But before I share that with you, I’d like to tell
73. But before we go into that,
74. But better still...
75. But by then,
76. But don’t get me wrong...
77. But don’t take my word for it...
78. But don’t worry...
79. But even if you were to...
80. But first
81. But first a warning...
82. But first a word of introduction...
83. But first, let me give you...
84. But guess what?
85. But here’s the best news...
86. But here’s the kicker...
87. But here’s the most important part...
88. But here’s something interesting...
89. But here’s the thing
90. But I didn’t stop there...
91. But I have an even better idea.
92. But I must let you in on a secret...
93. But I’m getting way ahead of myself.
94. But I’m jumping ahead.
95. But it doesn’t stop there...
96. But it’s even better than that ...
97. But let me go back to the beginning to continue
98. But let’s suppose...
99. But make no mistake about it...
100. But more on that later...
101. But now,
102. But remember this.
103. But that’s just part of the story...
104. But that’s not all ...
105. But that’s not even the best part...
106. But that's not all... Far from it!
107. But the bottom line is
108. But the problem is...
109. But there is an irony in all of this...
110. But there is just one small catch...
111. But there’s more ...
112. But there's even more . . .
113. But wait, it didn't stop there...
114. But wait, there's more
115. But what if you could...
116. But you know what else?
117. But, here’s a problem...
118. But, I have to admit,
119. But, I tell you what...
120. But, that’s only half the story...
121. But, there’s one more thing...
122. But...
123. By now, you’re probably wondering...
124. By the way,
125. Can this be true?
126. Can you imagine how great that feels?
127. Check this out...
128. Consider this...
129. Could that be true?
130. Despite what you may have heard...
131. Do you follow me so far?
132. Do you see the value here?
133. Do you understand what this means?
134. Does this make sense to you?
135. Don’t forget ...
136. Don’t worry...
137. Don’t get me wrong.
138. Earlier I mentioned,
139. Even better
140. Even so,
141. Fact is,
142. Fair enough?
143. Far-fetched? Not at all.

Presented by Sarkemedia.com as part of the Improve Your Writing Challenge
144. Finally,
145. First of all,
146. First off,
147. First,
148. For all these reasons,
149. For example...
150. For instance...
151. For now,
152. For starters,
153. For what it's worth,
154. Frankly,
155. Further
156. Furthermore
157. Get this...
158. Good news!
159. Hang on to your seat because...
160. Has this ever happened to you?
161. Heck, you don't even need...
162. Here are some examples...
163. Here are some more random examples...
164. Here are the answers...
165. Here are the details.
166. Here is a way to think about it...
167. Here is just a sample of...
168. Here is something else to keep in mind...
169. Here is the reason why...
170. Here is why...
171. Here's a clue...
172. Here's how easy it is...
173. Here's more...
174. Here's my point ...
175. Here’s proof...
176. Here's something else ...
177. Here’s the deal...
178. Here’s the scary part...
179. Here’s the secret...
180. Here’s the thing ...
181. Here’s what else...
182. Here’s what I mean ...
183. Here’s what this is all about...
184. Here’s why
185. Here’s your chance to...
186. Here's how
187. Here's something else...
188. Here's something you probably don't know
189. Here's the deal
190. Here's the real kicker...
191. Here's the real truth...
192. Here's the story...
193. Here's the thing...
194. Here's what I mean
195. Here's what this is all about
196. Here's what to do now
197. Here's why
198. How can that be?
199. How can you beat that?
200. How did I do it?
201. How do I know?
202. How?
203. However,
204. However, don't take my word for it
205. However, that's not all
206. However, the problem is...
207. However, there's more
208. However, wait until you see
209. How's that possible?
210. I can't stress this enough...
211. I could go on and on...
212. I know you're skeptical, right?
213. I suppose you could...
214. I'd like to tell you more about...
215. I'll bet you can guess what happened next.
216. I'll explain ...
217. I'll tell you how.
218. I’m sorry, but...
219. I’m telling you,
220. If you think it’s nothing, think again...
221. I’m not kidding...
222. Imagine what that will mean to your life.
223. Impossible?
224. In a minute, I’ll tell you how you can...
225. In a nutshell,
226. In addition,
227. In any case,
228. In any event,
229. In essence,
230. In fact,
231. In my experience,
232. In short,
233. In sum,
234. In truth,
235. Indeed...
236. It all comes down to this...
237. It gets even better...
238. It turns out
239. It’s simple...
240. It’s true
241. Just as a quick refresher,
242. Just for the record,
243. Just imagine...
244. Just keep reading...
245. Just let this sink in for a minute...
246. Just think about it...
247. Keep in mind ...
248. Know this...
249. Last but not least,
250. Let me ask you this question...
251. Let me be a bit more specific...
252. Let me explain ...
253. Let me explain what I mean.
254. Let me give you a bit of an idea of...
255. Let me just quickly recap...
256. Let me prove it to you
257. Let me repeat,
258. Let me share a secret with you.
259. Let me show you exactly how this works...
260. Let me show you how dead serious I am...
261. Let me show you how...
262. Let me switch gears here for a moment.
263. Let’s assume, you...
264. Let’s face it...
265. Let’s get something straight...
266. Let’s take a closer look...
267. Let’s take a look...
268. Let's take that a step further.
269. Likewise,
270. Listen my friend,
271. Listen up...
272. Listen,
273. Listen, I'm not kidding around...
274. Listen, there’s more. Lots more.
275. Look at it this way...
276. Look at my next tip.
277. Look no further.
278. Look,
279. Make no mistake,
280. Meanwhile,
281. More about that later. For now,
282. More details in a moment. But first...
283. More important
284. More important than that...
285. More on that in a moment – but first, let me
286. Moreover,
287. Most importantly
288. My experience is
289. My point is...
290. My strong hunch is...
291. Needless to say,
292. Nevertheless
293. No doubt about it
294. No problem!
295. No wonder
296. Not many know it but,
297. Not only that,
298. Now consider what happens...
299. Now get this...
300. Now here comes the good part ...
301. Now let's suppose
302. Now listen up...
303. Now wait.
304. Now, at this point,
305. Now, before I go on,
306. Now, don't get the wrong idea
307. Now, here is all you do....
308. Now, here's the next step...
309. Now, listen to this very carefully...
310. Now, of course,
311. Now, pay attention.
312. Now, tell me...
313. Now, you’re probably wondering...
314. Oddly enough,
315. Of course,
316. Oh wait! I almost forgot!
317. Oh yeah, one more thing
318. OK, I know what you’re thinking...
319. OK, I’m nearly done, but...
320. OK, let me repeat that...
321. OK, you might be asking...
322. Okay,
323. Okay, now let's get down to business...
324. On the other hand,
325. One important caveat...
326. One more important point...
327. One more thing,
328. One thing I want to stress is
329. Or, if you prefer...
330. Please allow me to explain ...
331. Please remember this
332. Please understand,
333. Plus,
334. Quite simply,
335. Reality is...
336. Remember,
337. Right off the bat,
338. Sadly,
339. Second,
340. See for yourself...
341. Seriously, put some thought into this...
342. Simply stated
343. So again,
344. So hang on while I explain...
345. So instead of wishful thinking...
346. So it adds up to this...
347. So let me ask you...
348. So let me summarize and review...
349. So let’s begin.
350. So read on ...
351. So remember, . . .
352. So that’s why...
353. So what do you think?
354. So what does all this mean?
355. So why am I writing to you?
356. So you’ll be glad to know...
357. So, here's what else is in store for you...
358. So, what’s the answer?
359. Some specifics...
360. Something else I want to say...
361. Sound at all familiar? Take a look...
362. Stated a little differently,
363. Stated more simply
364. Still another benefit...
365. Still not convinced?

Presented by Sarkemedia.com as part of the Improve Your Writing Challenge
403. Think for a moment about what that means.
404. Think I'm exaggerating?
405. Think of it like this...
406. This example is going to surprise you.
407. This is not just my opinion.
408. This is really cool...
409. Thus...
410. To begin with,
411. To cut short my long story,
412. To make a point
413. To make matters worse,
414. To top it off...
415. Treat yourself
416. Trouble is,
417. Truth be told,
418. Truthfully,
419. Until now,
420. Until recently,
421. Vitally important last and final point...
422. Wait, there's more...
423. Want proof?
424. Want to see how it works right now?
425. We're not through yet...
426. Well, as a matter of fact,
427. Well, believe it or not,
428. Well, this time,
429. What about you?
430. What does all this mean to you?
431. What does this mean for you?
432. What I have decided is,
433. What I'm talking about is...
434. What it means is this...
435. What makes this so special?
436. What this all boils down to is...
437. What this means is...
438. What's all this worth to you?
439. What's more,
440. What’s the catch?
441. What’s more important
442. What’s this got to do with you?
443. When you first . . .
444. Which is why I’m telling you,
445. Which is why I’m writing to you,
446. Why am I doing this?
447. Why do I say this?
448. Why I am writing to you.
449. Why?
450. Will it work for you? Maybe, and maybe not.
451. With that in mind, here’s...
452. With that said,
453. Within the next few days...
454. Worse than that....
455. Worst of all...
456. Yes, it’s true!
457. Yes, you read that right...
458. You know what?
459. You know,
460. You may wonder why...
461. You see,
462. You start by...
463. You think I’m lying, don’t you?
464. You’ll be glad to know that
465. You’re going to love this...
